*June 7, 2006*

*We are truly saddened at the loss of our friend and colleague, Investigator Charles Gail Oliver, who passed away Friday, June 2.*

*Gail has been with the State of Utah since April of 1979 and was one of the original members of DOPL's Investigations Bureau. He most recently served in a senior-level investigative position. His area of expertise was in the pharmaceutical and medical arenas due to his extraordinary attention to detail.*

*Gail's passing is a great loss to our state agency. He was highly respected by his coworkers, and he will be greatly missed for his cheerfulness, quick sense of humor, kindness, and dedication.*

*Our deepest thoughts and sympathies go out to his family and loved ones at this time.*
